
Vengeance Samplepack Complete Collection torrent

the sound and feel of the techno genre is something special, and this sample pack is full of that! this new sample pack from the house of vengeance is aimed solely at the techno genre of deep house & minimal. well known producers of the first generation came together to produce this gigantic sample pack: pascal feos, gabriel le mar, frank leicher & d.diggler (aka andreas mgge) have opened their well-guarded sound archives and demonstrate with more than 1500 samples the way to go in any club. freakz on beatz is the ultimate library for every producer of deep club music - whether you are a beginner or an expert! all sounds are clearly organized into categories and tempo (126bpm) and further separated into loops and oneshots. all loops run 100% tight, are immediately applicable, and leave plenty of room for your own customizing or editing. finally! a guitar sample pack from vengeance! with more than 1.4gb of data spread over 1,150 wav files, contemporary producers will find a whole world of guitars, perfectly tailored for modern dance music! every guitar loop is recorded by an industry professional using the highest quality gear. layer guitar beneath your chart vocals in the break, or use them as the main element for your club track, everything you need is here! this pack is extremely flexible: each guitar construction kit contains guitar loops in each note, (c, c#, d, d#, etc.), in both major and minor! the chords can be arranged just the way you want them. just select the desired guitar (nylon, latin, electro, steel, distortion, etc..), then choose and integrate the rhythm chords of your song. it's that easy!
